PROSPECTUS

SHRI NARAYAN SHARMA TEACHERS TRAINING COLLEGE

A unique name in professional education offering a genuine choice of pathways for students. SNSTTC College is based on a new paradigm: the generative or creative college. In addition to teaching graduates and engaging in research, teachers would be evaluated and promoted based on their knowledge.

ABOUT COLLEGE

Shri Narayan Sharma Teachers Training College is a recognized and respected college of North Bihar, strongly associated with quality delivery in teacher education.

This college was established in 2015 at Bariyarpur, Bankat, Kotwa Road, Motihari. Since then, it has symbolized excellence through initiative, reliability, transparency, and professionalism of a high order, instilling faith and confidence among students and parents.

The college nurtures the hidden potential of future teachers through various activities that are highly recommended for becoming successful educators. The college believes in preserving the democratic structure and cultural heritage, while also practicing new and innovative ways to synthesize the need for socio-cultural upliftment and the creation of an egalitarian society, along with the pursuit of academic excellence and freedom.

*आचार्यात् पादमादत्ते पादं शष्यः स्वमेधया ।
सब्रह्मचारिभ्यः पादं पादं कालक्रमेण च ॥*

One fourth from the teacher, one fourth from own intelligence, One fourth from classmates, and one fourth only with time.

CHAIRPERSON'S DESK

Dear Students, Parents & Faculty Members

Our vision of education is holistic in nature, deeply rooted in strong values and rich traditions. To enhance the learning outcomes of our students, we have embraced innovative approaches such as blended learning, digital learning, and activity-based learning. I firmly believe that these initiatives will empower our students to confidently face and adapt to the dynamic challenges of the ever-evolving educational landscape with courage and grace.

Warm Regards!

Alok Sharma
Chairman, SNS Vidyapeeth

DIRECTOR'S DESK

Dear Stakeholders,

Shri Narayan Sharma Teachers Training College is dedicated to becoming one of the leading institutions in the city by offering students meaningful opportunities to excel in both academic and co-curricular pursuits. We work closely with parents, teachers, and students to ensure that each learner receives the support and resources needed to grow into a responsible and capable teacher. Through the continuous development of our curriculum and teaching programs, we prepare students to navigate real-life challenges with confidence. Our learning environment embraces modern teaching methodologies that foster creativity, innovation, and resilience, enabling students to face the evolving educational landscape with fortitude and grace.

With Best Wishes!

Suman Dwivedi
Director, SNS Vidyapeeth

PRINCIPAL'S DESK

Dear Learners, Parents, and Educators,

Shri Narayan Sharma Teachers Training College is committed to creating a supportive and inclusive environment that empowers students to explore their potential and strive for excellence in every aspect of college life. With meaningful and engaging learning experiences, we nurture creativity, confidence, and independence. High expectations are set, and every effort is made to foster positive emotions and build strong connections within the community. By focusing on the individual well-being of each student, we ensure an environment where they can flourish and achieve their personal best. Our graduates emerge with the essential skills, mindset, and values to succeed in a dynamic world and take on future roles as leaders and role models in society.

Yours in Education!

Dr. V. K. Gupta
Principal, SNSTTC, Motihari

सत्यं ज्ञानं अनन्तं

True knowledge is infinite

OUR VISION

We aim to nurture happy and confident students by providing child-centric learning. Our endeavour is to promote creativity, environmental sensitivity and academic excellence. We help inculcate a spirit of lifelong learning for our children to be effective change agents.

OUR METHODS

Our highly qualified faculties use most innovative methods to impart child-centric learning. We recognize talent, encourage creativity, and tap into the immense potential of each and every student. We use cutting-edge technology to keep pace with the modern times.

OUR GOAL

Excellence in education is our primary goal. We aim for holistic development of a student's mind, body, and spirit. We educate the mind, train the body, and inculcate values of perseverance, tolerance, optimism, mutual respect, and sensitivity towards the natural environment. We aim to create strong personality.

OUR FACILITIES

SMART CLASSROOM:

Our classrooms are equipped with advanced digital tools like interactive boards, projectors, and audio-visual systems. These smart classrooms enhance teaching effectiveness, promote student engagement, and prepare future teachers for technology-integrated education.

E-LIBRARY

These E-libraries that support academic research and education. They typically contain scholarly resources such as journals, research papers, and academic books.

CANTEEN

The college canteen serves hygienic and good quality food with a wide variety of availability of snacks at a reasonable price and also has a seating capacity of 100 students at one point of time.

GIRLS HOSTEL

Our hostels are designed to provide a comfortable and safe living environment, and they are equipped with modern facilities and a wide range of extracurricular activities. The hostel life also allows the girls to learn important life skills, such as time management, teamwork, and communication, and fosters a sense of community. The hostel staff plays a crucial role in creating a nurturing and supportive environment for the girls, which is essential for their overall development.

TRANSPORTATION

College transportation management ensures safe, timely, and comfortable transport for students, while providing service visibility for parents, teachers, and administrators to assess its quality.

ERP & LMS INTEGRATION

The institution is equipped with an advanced ERP system, a comprehensive Learning Management System (LMS), and world-class academic facilities to ensure holistic student development.

SPORTS

Sport is good for our physical and mental health. They also help develop leadership skills and equip them with the ability to set goals and build character. Participating in sports can lead to higher self-esteem and better social interaction.

GYM

Enhanced cognitive abilities, stress reduction, improved discipline and holistic personal growth are benefits of physical fitness.

WIFI CAMPUS

The Institute offers a fully Wi-Fi enabled campus, providing high-speed Internet access to students, faculty, and staff for enhanced learning, research, and seamless access to IT resources anytime, anywhere on campus.

ELEVATOR (LIFT)

Elevators improve accessibility within buildings and different designs are used depending on the intended loads and speeds required.

RAMP

Ramps provide an alternative to stairs for wheelchair users, people with mobility issues and people with prams, bicycles and other wheeled items.

Internship

OBJECTIVE:

The School Internship aims to provide pupil teachers with real-time, hands-on experience in school settings. It bridges the gap between theoretical learning and field-based practice, helping trainees evolve into reflective and competent educators.

SUPERVISION:

Each pupil teacher is assigned a Supervisor by the school Principal/Head, who provides academic and professional guidance throughout the internship.

OUTCOME:

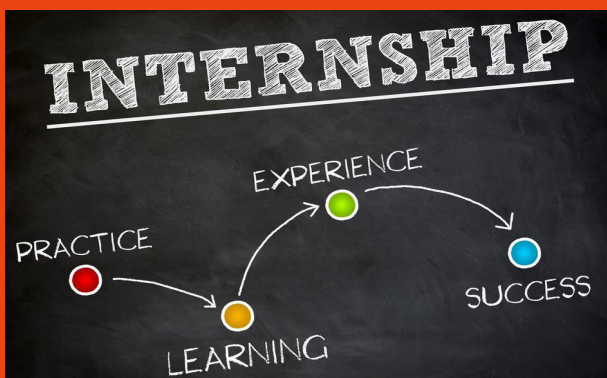

The internship prepares pupil teachers to function effectively in real classroom situations and equips them with professional skills, pedagogical insights, and practical understanding of school education.

DURATION & PLACEMENT:

Internship is conducted for a minimum of 16 weeks in a recognized government/private school (Primary, Upper Primary level for D.El.Ed. & Upper Primary, Secondary, or Senior Secondary level for B.Ed.). Preferably, the internship should take place in a single school for continuity.

NATURE OF ENGAGEMENT:

- Interns function as regular teachers, actively participating in lesson planning, classroom teaching, and student assessment activities.
- They engage in practice teaching at the primary, upper primary, secondary, and senior secondary levels (as per the respective programme), thereby strengthening their instructional competence and pedagogical understanding.
- Interns are involved in various academic and administrative tasks within the school, along with meaningful participation in community engagement initiatives.
- They plan and organize co-curricular activities such as debates, cultural programmes, and sports events, fostering holistic development, creativity, and leadership qualities.
- Each intern undertakes a case study on a relevant school-based issue, promoting reflective thinking, analytical ability, and research orientation.

CELEBRATIONS at SNSTTC promote holistic development by encouraging student participation in various cultural and institutional events. These occasions foster creativity, teamwork, leadership, and value-based learning, enriching the academic environment and shaping responsible individuals.

SHRI NARAYAN SHARMA TEACHERS TRAINING COLLEGE

SNSTTC College is a "generative college" layered on the foundation of a college and a research university. Higher education is in a state of flux. Our industry is changing, our norms are adapting, our student base is shifting, our resources are dwindling and the expectations of our stakeholders are rising.

The College offers two years B.Ed. Course and D.El.Ed open to the students of all caste/religion and creeds, as much freedom of religious beliefs of students will be respected.
